

# PSD2 Availability statistics

As part of the PSD2 directive, banks are required to publish statistics of the PSD2 API performance, as required by the guidelines set by EBA. Updated report is published on quarterly basis. For Savings Banks, the report is split to three different reports; availability, response times and error rate.

This report shows the availability of Savings Banks PSD2 API, compared to our online customer channels. In case you have any questions or feedback regarding the report, please do contact our service provider.
